Saitama City has taken many hard-earned lessons from the disasters of the past.

So, we keep prepared each day for future earthquakes and other disasters.

In this effort, we (Saitama, Chiba, Tokyo, Kanagawa, Yokohama, Kawasaki, and Sagami-hara) hold the Joint Inter-Prefectural and Municipal Disaster Drill each year, enhancing and strengthening the *self-help* and *mutual aid* ability of residents and in workplaces.

## Disaster Prevention Training & Fair

### Fire Extinguishing

Learn how to put out a fire with a fire extinguisher.

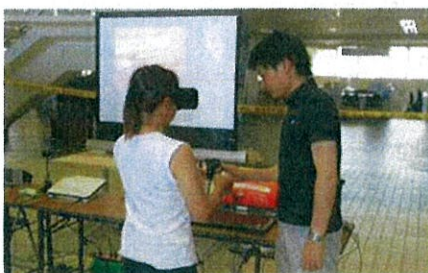

### Earthquake Experience

Take a ride in an Earthquake simulator, stay calm and brace yourself.

### Smoke Tent

Learn how to move to a safe area while trying not to inhale the smoke.

### Virtual Reality (VR) Evacuation

Evacuate from the building that is on fire using a VR-based disaster simulator.

### Emergency First-Aid Workshop

Be prepared for emergency situations. Learn and practice how to perform CPR, etc.

### Hands-On Firefighter Experience

Try on a firefighter outfit, cross a rope, and experience what it's like to be a firefighter.

See you there!

\* This event is held outdoors, so don't forget to replenish your body's fluids by drinking water to prevent dehydration.
